BUDGET & CAPITAL RESOURCES

118 individual project phases appropriated through Proposition 1D have been completed as of June 30, 2015.

FACT SHEET

June 2015

The \$890 million in Proposition 1D funding authorized by the State Legislature for UC capital includes: \$690 million for capital outlay projects; \$200 million for Telemedicine/PRIME projects; and funds for State-wide costs and Administrative costs. Over 93% of the \$890 million in funds represent completed projects or project phases. Another 7% of the funds are currently 'In Process' being utilized for projects either pending bids, under construction, or acquiring equipment. Only the 2012 appropriation for Merced's Classroom and Academic Office Building is utilizing the funds for project design.
